Tree analysis 1:3000

valuable birch
valuable pine
other valuable trees

Function scheme (concept plan) 1:3000

lawn	dry valley boundary	original area boundary
plants	perforated cover	highest water level
trees	compost	lowest water level
flower-bed	asphalt cover	children playground
perforated cover	gravel cover	skateboard playground
compost	bicycle road cover	bicycle road

Section 1:500

PARK PROJECT

Pavilnionių st, Vilnius, Lithuania
